Not every day you can add a 100" animal to your herd. If she's not 100" on sale day she'll sure be breathing down its neck. And that's just the start of her quality. Her frame, milking, easy keeping body, only accentuate her sweet disposition. We couldn't think of a better opportunity to wrap up the sale with. 97.625" Heifer (220) calf at side born 5/2/22 by TCC Gold Dust. Exposed to Falcon 13/16.

**Total Horn:** 120.7500 on 04/15/2024  
**TTT:** 99.5000 on 11/15/2024  
**Base:** 15.2500 on 04/08/2015
